Congress in Final 3 Weeks • of Session

WASHINGTON (A) heads today into the scheduled final three weeks of its 1954 session with President Eisenhower reportedly prodding for stepped-up action on his program of anti-subversive measures. Republican leaders are aiming for a July 31 a djournment. Signs are that if they don't make it, they shouldn't miss by more than a week or two. One of the fields where action has lagged is in the President's suggestions for legislation to deal with domestic subversives. Sen. Ferguson of Michigan, chairman of the Senate GOP Policy Committee, said in an interview yesterday Eisenhower applied some heat at last week's conference with Capitol Hill leaders to get their

bills moving. No major bill in the field has been approved by both branches of Congress. The Senate last year approved a measure to give immuniy from federal prosecution to some witnesses in exchange for their testimony. The House this year approved use of wiretap in formation as court evidence in national security cases. form the administration asked. The House has also okayed bills to provide the death penalty for spying in peacetime and broaden the espionage and sabotage laws, and to increase penalties for harboring

CLEVELAND (A) Two 11th our changes in the American eague pitching staff have caused the odds on the already favored National League to soon to 8-5 to day for tomorrow's annual Alltar Game. Nobody here could recall when one league r uled such a prohibitive avorite over the other, even durng the years when the powers acked American League captured our straight from 1946 through

Now, on the eye of the 21st clash. the shoe is on the other foot. Not only does the National own a four game winning streak but it has nost of the long-ball hitters. Until New York's Allie Reynolds ind Cleveland's Mike Garcia were declared physically unfit, it appeared the American League's seemingly superior pitching might offset the National's numerous home run hitters. Reynolds begged off bechuse pulled groin muscle and Garcia was excused because of a ruptured blood vessel in a finger. In their places, Manager Casey Stengel chose Sandy Consuegra, crafty Chicago White Sox right-hander, and Irv Noren, corrently hot Yankee outfielder. Noren probably will see action only as a pinch hitter Both managers Stengel and rookie Walter Alston were mum concerning their p itchers but the expected crowd of 65,600 in Cleve-

land's Municipal Stadium probable was due to see a battle of right handers at least during the firs three innings. Based on the starting lineups which are predominantly righthanded, and by process of climination, the field narrowed down to Robin Roberts of the Philadelphia Phillies and Bob Keegan of the Chicago White Sox as the opposing hurlers. Both will be well rested, by Tuesday, Keegan has done no nitching since Friday, nor has The only other well rested pitchers are the Yankees Whitev Ford and the New York Giants'

| Johnny Antonelli, Milwaukee's Jim Wilson, who replaced the injured although sporting 8½ subpar (for him), 11-8 record 11/2 season, is a veteran All-Star com: 81/2 petitor. He was the starting pi er in three of the last four games By The Associated Press all winning ones for the National standing season in the majors.

Stengel, the all-winning world garlest winning world for triumph in four All-Star games as manager, may upset the dope and start. Ford against the National Start Bord against the Start Bord against the National Start Bord

14-Year-Old Boy Lands Big Alligator Gar

Mr. and Mrs. L. B. Tooley of Hope. landed a 117 pound 6 ft. 4 inch alligator gar in Little river Saturday norning, using regulation deep sea tackle and a large buffalo fishhead Young Tooley and his father were fishing Saturday morning for gar when the big fish struck Bill's line at approximately II a. m. The big gar was brought in to the bank almost exactly one hour later and required the help of R P. Hogue and his son Jim Hogue, who were

man size gar could be landed. Gar fishing was originated in this state several years ago and last year several local fisherman tried Little river for the first time with regulation sporting tackle. Several large gar have been caught in the The tackle consists of an extra

heavy glass, bamboo or hickory rod with a salt-water type reel holding from 100 to 300 yards of nylon line ranging in test strength from 50 to pounds. A special clutch built inthe reel prevents the big fish rom breaking the line by allowing he reel to slip and let out line when e gar makes a determined run. Huge treble hooks are attached to the end of the line and balted with large hunks of Buffalo or Drum. The bait is left in one place until the big gar picks it up. After his first run, the hook is set and the fisherman trusts to luck to hang the gar somewhere in his stomach, throat or the tough mouth .
